Note to Instructors and Parent(s)/Guardian(s)

This activity book is designed as an ancillary resource to the Eager Beaver curriculum. It is important that Adventurers learn through all their senses, so singing, smelling, listening, and activities that require movement should be of primary importance in your program.

Activity booklets may be used in whole, or the pages may be removed and completed one at a time. Collecting the completed pages and binding them together (with a stapler, yarn, or in a binder) at the end of the year will provide a keepsake for the children to remind them of their year as an Eager Beaver.

Note: Meetings 13, 14, 18, 21, 22, and 23 do not have pages in this activity book.
